Dear MCC Pastor:

We are conducting an extensive research project which involves materials from predominantly gay and lesbian congregations within Christian faith.

We would like your church to be represented in this project.

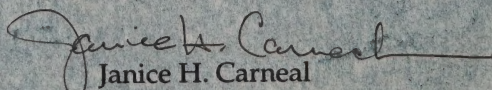

Accordingly, would you kindly send us samples of any material produced by your church including but not limited to:

- ☐ weekly bulletins and worship folders
- ☐ church newsletters
- ☐ first-time visitor packets
- ☐ visitor follow-up letters
- ☐ church brochures
- ☐ direct mail letters which have proved effective

These materials may be sent to my attention at the mailing address (which, incidentally, is the address for the worship center and administrative offices for MCC-Richmond).

With all good wishes, I remain

In the Spirit of Christ,

Janice H. Carneal
Associate Director
